DOES LAUNDRY WORK AND **HOUSEWORK TOO**

Surprised to Find Herself Feeling So Well

Taunton, Mass. — 'Tused to have pains in my back and legs so badly, with other that women sometimes have that sometimes have, that my doctor ordered me to stay in bed a week in every month. It didn't do me much

It didn't do me much good, so one day after talking with a friend who took Lydia E. Pinkham's Vegetable Compound for about the same troubles I had, I thought I would try it also. I find that I can work in the laundry all through the time and do my housework, too. Last month I was so surprised at myself to be up and around and feeling so good while before I used to feel completely lifeless. I have told some of the girls who work with me and have such troubles to try Lydia E. Pinkham's Vegetable Compound, and I tell them how it has helped me. You can use my testimonial for the good of others.'—Mrs. BLANCHE SILVIA, 69 Grant St., Taunton, Mass.

Has it ever occurred to you that your husband looks younger than you because he takes things easier?

Like as not he does very little that he can hire done-he doesn't scrub his own office, or sweep and scour.

It's pretty certain that he doesn't spend one day out of seven bending over a steaming wash-tub.

These are the aging tasks which cause so many women to grow old before their husbands do.

And the most aging of all is the family washing. Let us relieve you of this burden; let us give you more time for rest and recreation.

Send us your washing this week and see how much younger you feel when Monday night comes. Just phone, and our representative will call.
